"KASHMIR"

The Activity at Kashmir last evening will be re-enacted every evening through the 11th of April in order to give every possible assistance to the Christ Selves of the entire human race in Their endeavors to become the Master Control of the outer personality which They have sustained through the centuries through the outpouring of Love, Light, Blessings and Patience indescribable.

May I point out that the beautiful Christ Self of every lifestream belonging to this planet was created by the Father-Mother God long before the personal self came into physical incarnation. This beautiful Presence desires, through the personal self, to complete Its glorious Pattern and Plan in the world of form, fulfilling the Edict of the Eternal Father and rendering a particular service which adds to the Glory of the Divine Pattern and Plan of the Universe. Until each Presence is enabled to fulfill Itself, the Full Perfection of the Divine Plan is not manifest, and no other Christ Self can render that particular service for such an one.

Through the unhappy use of free will, the Christ Selves of the far greater part of this evolution have been denied fulfillment and have sustained the personality with the hope that, some day, enough grace would enter the heart and consciousness of the outer self so that it would at least desire to cooperate with the Presence

and manifest its reason for being, and justify the expenditure of the energies of God, Nature, the Angelic and Elemental Kingdoms which have sustained life in the personality in the aeons of time. The Cosmic Law, however, has taken a hand and refused to allow further expenditure of the pure energies of God, Angels, Masters and Elementals to sustain the foolishness of the human ego, and within the next twenty year period, the Christ Selves must connect with Their own outer selves and serve Their Cosmic Purpose or descend with the personality to the solar system below the one upon which They are presently evolving, and endeavor, on this lower sphere, to complete Their evolution. Naturally, the Divine Selves desire to complete Their service to God and man in the evolution to which They belong. Hence, the request for the Dispensations whereby the human free will might be set aside and each Christ Self surge through the outer and compel the Divine Plan fulfilled.

Lord Maitreya is the Cosmic Christ representing the Father of Life to all the Christ Selves of unascended mankind evolving on the planet Earth or awaiting incarnation. Through His Momentum and Power, the individual Christ Self is enabled to draw much closer to the outer self, and also impress the outer self with the hunger-thirst after righteousness and spiritual understanding. It is for this reason that He has been asked, for the thirty-day period in which He now abides, to enter the Christ Selves of the entire race and increase the pressure of the individual Christ Self through the Silver Cord.

The Christ Self of every member of this evolution, including all those not presently in

incarnation, and all the lower astral and psychic realms were present for the service last evening. Over the continent of Asia, these beautiful White Fire Beings stood, canopying the sky with the Blazing Light of Their Presence. The most exquisite music filled the atmosphere, composed of the Keynotes of each One; the Angel Devas of Music grouped Them into sections and combined Their songs into anthems that filled the inner atmosphere, not only of the Earth, but of the seven solar systems belonging to Our Central Sun.

The Beloved Sanat Kumara and Lord Buddha were the Guests of Honor, and a beautiful bower of Lotus was woven over the white marble Thrones upon which these Noble Gods sat together facing the members of the Brotherhood. When the hour of Transmission was almost upon Us, the Christ Selves of the race gathered together in a great shining White Spiral of Living Beings over the hillside, and Lord Maitreya stepped into the center of this spiral which stretched from the surface of the Earth well over 10,000 feet into the atmosphere above. Lord Maitreya wore pure snow-white garments, and a lei of white Lotus flowers around His neck was the only adornment of any kind.

The Light of His Presence is so exquisite that one is always drawn toward His Presence just to bathe in the substance of that Divine Love. His hair shone with the Radiance of the Godhead and His beautiful violet eyes were filled with the warmth and Love that are His Nature. A snow-white Dove perched upon His shoulder and two lovely Angels, also in pure white, walked behind Him, each carrying a long white staff from whence blossomed the mystic Flower of Shamballa.

We all stood as He entered the Circle composed of the Christ Selves of the entire human race. Even Lord Buddha and Sanat Kumara inclined Their heads toward Him in honor of His Service and Office as the Cosmic Christ.

As the moment of the first breath approached, a pure white Flame rose around His Figure and He disappeared within it. The Flame itself rose from the Earth in a Pillar of White Fire to the crest of the Celestial Figures surrounding it. At a given moment, a burst of Music, containing Lord Maitreya's Keynote, sounded from within the Flame, and We all breathed it in, blessed it, and sent it forth for its journey around the world.

Simultaneously with the direction of the Flame from Kashmir, the Christ Selves of the race spread out and took Their positions above the physical bodies into which Their Flames have been anchored for the centuries, and Lord Maitreya again appeared from within the Vestments of Flame shining like the Sun. With each breath, the Christ Selves drew the Flame of His Cosmic Christ Power into Their own hearts, and then, individually, directed it through the outer self. You will see how this personalized the outpouring - each Christ Self giving full attention to the outer self which is Its own responsibility. This was the first universal release of the Cosmic Christ Power through the personal selves of every member of the human race to take place on this planet. No lifestream belonging to this race was excluded from this service.

After the Flame had encircled the Earth for about fifteen minutes, I entered the Central Focus of the Flame and, standing with Lord Mait-

reya, called forth the Messengers of My Office, and suddenly there appeared countless millions of white doves, each of which flew forth with My Blessing and entered the aura of the Christ Self of every lifestream, duplicating the service rendered Jesus when He was baptized of John under Lord Maitreya's Blessed Presence centuries ago.

At the close of this part of the Ceremony, the Celestial Choir began the Great Cosmic Songs of Praise to the Heart of Creation, and then the Brotherhood and assembled Guests took up the song and We all felt the Heart of Peace and abided, in great Joy, therein.

We shall render this service every night to intensify the feeling of oneness between the Christ Self and the personality from now until We enter El Morya's Radiation at Darjeeling. I hope sincerely that each one, particularly of My chelas who enjoy this Bulletin, may feel the Presence of their Holy Christ Self and the Presence of the Holy Dove of Peace who is now their joyous companion upon life's way.

Love and Blessings,

MAHA CHOHAN

THE STUDENT AND THE MASTER

When the student of the Higher Laws has reached a certain place on the Path of Evolution, he finds, to his surprise, that instead of dealing with an 'Abstract Principle' (as metaphysicians name the Diety) he is now brought into contact with specific Beings who, through individual merit, are given the responsibility of assisting in the evolution of the universe through the authority conferred upon Them by Cosmic Law. These Beings are known to evolving mankind as "The Masters of Love and Wisdom".

At inner levels, the student is summoned before the Lords of Karma where the record of his lifestream is examined. If it is found to be mature enough for wider service, he is brought to the attention of the Master in charge of a certain activity in line with his (the student's) training and capacity, after which his individual service to the Great Cosmic Law commences, even while he is yet unascended.

In his outer personality, he is completely unaware of this initiation, which accounts for the seeming disappointment, dissatisfaction and frustration very often encountered in the newly-awakened, but uncomprehending, chela. At this time, he is rather inclined to doubt and disillusionment, as he is under the impression (like the majority of students on the Path) that when the Masters of Wisdom are contacted, his own individual effort ceases, and the seemingly 'humdrum' work pertaining to the Cosmic Office to which he has been assigned seems tiresome and unimportant.
